SIR,

With reference to your docket No 9177 Ed No (280-04)-2 dated the 6th ultmo, I have the honour to submit below the information called for in connection with my proposal to open a Hindustani Girls' School at Mavalli -

(1) The private girls' School at Basavanpude referred to in this office No 8551/517 dated 24th March last was opened in July 1903 by the Mahomedan residents of that extension and has ever since been conducted by Mr Abdul Wahab Maccan.

(2) There are Eight houses of Mahomedans in the Basavanpude extension There does not exist any private Girls' School at Mavalli now, nor did any exist formerly - There is however a Government Hindustani School for boys While the

question of making the Private girls' School at Basavangudi a Government School was under correspondence between this office and the Deputy Inspector of Hindustani Schools, I received in March last a petition from the Mahomedan inhabitants of Mavalli stating that the Basavangudi School to which they sent their girls was far from their homes and asking for a School at Mavalli - It is reported that there are Sixty Mahomedan families residing at Mavalli while there are about 8 at Basavangudi Of about 40 girls on the rolls of the Basavangudi School, 22 are from Mavalli, 11 belong to Basavangudi and 7 to Kalasipalya The distance from Mavalli to Basavangudi is about 7 furlongs As Mavalli contains a larger number of Mahomedan families and as the Majority of the girls now attending the Basavangudi School are from Mavalli, I have recommended the opening of a Government girls' School at Mavalli in Preference to Basavangudi -

The rough Sketch called for in the last para is enclosed -
